MEDIA RELEASE

800 Super bags S\$204.9 million Integrated Public Cleaning Contract for South-West region of Singapore

The seven-year contract awarded by NEA will start on 1 September 2014 to 31 August 2021, with an option for one year extension

SINGAPORE, 21 July 2014, Catalyst-listed environmental services provider 800 Super Holdings Limited ("800 Super", the "Company", and together with its subsidiaries, the "Group") would like to announce that its wholly-owned subsidiary, 800 Super Waste Management Pte Ltd, has been awarded a S\$204.9 million contract by the National Environmental Agency ("NEA") to provide integrated public cleaning services for the south-west region of Singapore (the "Contract").

The Contract is for a period of seven years from 1 September 2014 to 31 August 2021, with an option for an extension for another one year.

Commenting on the award of the Contract, Mr Lee Koh Yong, the Executive Chairman of 800 Super said: "We are honoured that NEA has selected 800 Super to provide integrated public cleaning services for the south-west region of Singapore. This latest award of the Contract marks our second contract awarded by NEA this year, reinforcing 800 Super's position as a leading environmental solutions provider and bearing witness to the recognition of our ability to provide quality integrated environmental services."

The Contract is expected to contribute positively to the Group's earnings but is not expected to have any material impact on the consolidated net tangible assets per share and/or earnings per share of the Group for the financial year ending 30 June 2015. None of the Directors or controlling shareholders of the Company have any interest, direct or indirect, in the Contract (other than their shareholding in the Company, if any).

About 800 Super Holdings Limited

800 Super Holdings Limited (“800 Super”) is an established environmental services provider for public and private sectors in Singapore. The Company’s environmental services include waste management, cleaning and conservancy and horticultural services:

- Waste management services: residential, commercial and industrial, construction and hardcore waste collection and recycling services;
- Cleaning and conservancy services: street cleansing services and contract cleaning services for residential, industrial, commercial and institutional customers; and
- Horticultural services: grass cutting, tree planting and pruning, and landscape planning and maintenance services for residential, industrial, commercial and institutional customers

With the broad range of services provided, 800 Super is able to provide comprehensive environmental solutions to its customers.
